Reasons to SHOW UP

Hamilton County moves when **YOU** show up.
Notice the difference between '22, '23, and '24.

Local elections are decided by a few votes here and there. For example in 2023, Alexis Lowry for Westfield City Council was decided by **23 votes**. This is why you show up!

In the last presidential election Hamilton County had one of the highest turnout in the state at 70%. This made the difference:

- Because of the 2024 historic high turnout, Democratic candidates for **President** and **Governor** won both Fishers & Carmel. Also the statewide candidate for Attorney General won Carmel and was less than 1% away in Fishers.
- Our very own State Rep. Victoria Garcia Wilburn won her 2022 race by 200 votes. She increased the margin by approx. 2000 votes in 2024!

Hamilton County is one of the top 10 counties in the country that has shifted towards the Democratic party over the last 10 years.

Your future rests on whether YOU show UP!
